Terms of sale

1. This sale is a public auction; in submitting your bids you have accepted the terms of this sale. The terms apply to all bidders, those who bid in person and those who bid by mail, as well as those bidding on behalf of a third party.
2. This sale is conducted by a licensed and bonded auctioneer.
3. All coins, medals and other items offered in this catalogue are unconditionally guaranteed to be genuine and as described. All photographs are of the actual items being sold.
4. All floor sales are final. No lots may be returned for any reason by floor bidders. Auction sales are not APPROVAL sales. All lots have been classified by experts and in the event of any claims for adjustment by mail bidders, these must be made in writing within five days of the delivery of the goods.
5. The bidding for each lot will be opened at **approximately 70-80%** of the estimated value. Please do not submit bids for a small fraction of the fair market price.
6. Items are sold by lot number. The highest bidder shall be the buyer. If any dispute arises between bidders, the lot in question shall immediately be put up and sold again. Decisions of the auctioneer are final.
7. Mail bids will be executed by Galerie des Monnaies of Geneva Ltd. The lots will be awarded to the highest bidder at a round number price representing an increase of approximately 5% over the next highest bid. Your bids will be protected, and even if your bid greatly exceeds the next highest bid you will buy the lot for roughly 5% over the underbidder.
8. Unknown bidders must establish credit references well in advance of the sale, or deposit 25% of their bids. Personal checks are acceptable with proper identifica-

tion, but the auctioneer retains the right to hold merchandise pending clearance of checks.

9. Title to all coins, medals and any other items sold remains with Galerie des Monnaies of Geneva Ltd. until invoices are paid in full.
10. You are urged to check your bid sheet carefully as Galerie des Monnaies of Geneva Ltd. cannot be held responsible for any errors made by bidders.
11. Bids are to be by LOT as numbered in the catalogue. When identical bids are received, preference is given to the earliest postal cancellation.
12. Buy or unlimited bids are not acceptable.
13. Terms of this sale are strictly cash in US funds.
14. All lots delivered in California are subject to California sales tax.
15. There is NO CHARGE for executing mail bids, but successful bidders must pay all postage, express, air-freight and insurance charges.
16. The PURCHASER, whether principal or agent, is wholly responsible to the seller.

Important for foreign bidders:

17. The coins acquired will be dispatched as soon as possible after the Auction for the account and the risk of the buyer. Any duties payable abroad, such as customs duties and taxes, are to be borne entirely by the buyer.
18. It is the responsibility of the buyer to comply with foreign customs, exchange regulations, etc. The organizers of the Auction decline all responsibility for any consequence arising from contravention of such regulations.

PLEASE SEND YOUR BIDS IN EARLY BY AIRMAIL

Résumé des conditions de vente

La participation à cette vente aux enchères publique implique la reconnaissance des conditions de vente.

L'authenticité des objets offerts est garantie. Toute réclamation de la part des acquéreurs par correspondance doit être présentée dans les cinq jours suivant la remise des objets. Aucune réclamation n'est acceptée de la part des acquéreurs présents dans la salle de vente.

Les enchères débiteront aux 70—80 % environ des prix d'estimation. En cas de contestation, les lots seront immédiatement remis en vente. Les décisions du commissaire-priseur sont sans appel.

Les lots seront adjugés au plus offrant pour un montant dépassant d'environ 5 % l'enchère la plus élevée immédiatement inférieure. Si deux offres écrites identiques parviennent aux organisateurs de la vente, préférence sera donnée à l'ordre posté le premier.

Les personnes qui nous sont inconnues sont priées de donner des références ou de déposer 25 % du montant de leurs offres avant la vente.

Le montant total doit être immédiatement acquitté lors de la livraison des lots, le transfert de propriété ne devenant effectif qu'au moment où le prix d'achat a été payé intégralement.

Les ordres écrits seront exécutés sans commission supplémentaire. Mais les frais d'envoi et d'assurance sont à charge de l'acheteur. L'expédition des lots sera effectuée aussi vite que possible après la vente, aux risques et périls de l'acheteur. Toutes taxes perçues à l'étranger telles que droits de douane et impôts sont par conséquent entièrement à la charge de l'acheteur.

L'observation des prescriptions de douane, de change, etc. valables à l'étranger, incombe à l'acheteur. Les organisateurs de la vente déclinent toute responsabilité pour les suites éventuelles résultant de la non-observation de ces prescriptions.

La vente a lieu strictement au comptant et en US \$.

L'acheteur est entièrement responsable vis-à-vis du vendeur, même s'il agit pour le compte de tiers.
